

Indian Moon

Hi, my name is Indian Moon. I like to run!! The faster I run the more I like it. I don't like anyone telling me what to do or telling me to slow down. Annie keeps working with me, telling me, "If we get the slow work done, then you can run" but patience is not my strong point. We worked hard at getting my desire to run under control but finally she said, I was ready to enter my first competition. A barrel race, where I run around three barrels and then run home. I was ready until I saw the size of the other horses. They were huge. I looked like a pony next to them. Some even look down on me because, of my size. Talk about intimidating!!

Annie always reassures me that "Little is much when God is in it" She says she Loves me just the way God made me and would take my big heart over a big horse anytime. I believe God wants me to do my best no matter what my size. We are a team, me, Annie, and God. We run together. It doesn't matter how little I am, or what anyone else thinks. God gave me a heart and talent to run so I'm going to do it! Annie was right. Little Is Much When God Is In It. Don't let anyone discourage you or intimidate you from doing what God has put in your heart to do even if you don't fit the mold.

Philippians 4:13 Amplified Bible

"I can do all things (which He has called me to do) through Him who strengthens and empowers me (to fulfill His purpose—I am self-sufficient in Christ's sufficiency; I am ready for anything and equal to anything through Him who infuses me with inner strength and confident peace)."
