

Bo

Hi, I'm Bo! I've been with Annie for a long time. One year, her husband Jacques surprised her for Christmas with a new pony, me! He even brought me in the house that morning and took me to her bedroom. When she woke up, she thought that she was still dreaming because there was a pony by her bed!

Ever since then, I've lived with her and her family. Over the years, Annie has taught me to do many tricks! I can pull a cart, bow, and even nod yes and no! I can do some other stuff too. Once, Annie spray painted me and gave me fairy wings and took me to give out rides at a birthday party! I thought that it

was really fun, being around the other kids and making them smile. Seeing them happy made me very happy! But apart from that, I'm a very special pony for Annie's family. You see, her three daughters, son, and granddaughter all started riding horses when they were very young, and I got to be the one to

give them all their first horse rides! Ever since then, I have been able to make many fun memories with Annie and all her kids. Being around them makes me so happy!

I love seeing them all smile. It's kind of like the joy that you can get from God!

Truly knowing Him and how much He loves you gives you so

much joy! Just knowing that He is always there beside you is such an amazing feeling!

Psalms 16:11

"You lead me in the path of life; I experience absolute joy in your presence; you always give me sheer delight."
