

Noah

Hi! My name is Noah. No not the Noah that built the ark, I am a miniature horse. Now, don't be calling me a pony, I am not a pony. I am a very small horse. I have heard people ask Annie, "What are you going to do with a horse that small?" She would answer," Don't worry, God has a plan for this little guy, Just wait and see." Being small is not a disadvantage, being small gets me into places a big horse can't go and I get to ride in a van that my big friends can't fit in and go into houses and places they can't. I am a Therapy Horse! My mom, Annie, and I are a team. We have a lot of fun together. She has taught me to not potty indoors,(which she says she almost gave up) but I finally got it. I have learned to bow, lay down, sit in a bean bag, and even sit on peoples laps! I have gone to the schools to help the kids read and to church to help with the lessons as well. I also love going to nursing homes to see all my friends. My friend Betty even invited me to her birthday party and I ate cake with red frosting.I am also honored to be the Hospice Horse of Lenawee County. Annie and I go to a lot of places, but we have a purpose. We are doing what God has called us to do. I enjoy meeting new people, seeing old friends, and making people smile. It doesn't matter if you are young, old, large, small, or even a horse, God has a plan for you. You can do Gods work too!

Don't let anyone think less of you because you are young. Be an example to all believers in what you say, in the way you live, in your love, your faith, and your purity.
