

Lucky

Hi my name is Lucky. I was bred to be a barrel horse but I am NO Barrel horse. I do not like to go fast. I prefer slow, and maybe to snack along the way. Because, I am slow and steady I am a safe horse especially for beginners. It takes too much energy to buck or run and I am never in a hurry unless its feeding time. I have taken people on trail rides that have never had an opportunity to ride before. I also was bred to be a paint horse with spots but as you can see I have no spots...Even though people expected me to be some great barrel horse with spots winning all kinds of money and ribbons, God designed me to bless people in other ways and that is what I'm going to do. I will never win money or a ribbon but I sure will make others, who get to ride me, very happy. I may not be what others expected me to be but I'm exactly who God created me to be!

Ephesians 2:10 (NLT)

For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago.
